## **SOCIETY GOLF**

The Committee and members of Cooden Beach Golf Club offer a warm welcome to your society and wish you an enjoyable visit to our Club. We are extremely proud of our facilities and hope you make maximum use of them.

## **DRESS CODE**

Like all golf clubs we have a dress code which underlines the necessity of having standards that we feel are appropriate and should be maintained for the clubhouse and the course in the present day.

Whilst you remain our guests for the duration of your stay with us, the Club would ask respectfully that you observe our dress regulations accordingly.

**We would in tandem with this also ask that all members of your proposed group are made aware of these requirements in advance of your visit in order that any embarrassment on the day itself may be avoided.**

## **ON THE COURSE**

Tailored shorts are perfectly acceptable although cargo shorts and trousers do not comply with our dress requirements.

Short above-ankle socks are acceptable but must be predominantly white.

Shirts must be tucked into either trousers or shorts.

Shirts without collars are not permitted.

Only approved golf shoes are permissible and trainers are not allowed.

Blue denim jeans, tee-shirts and track suits are not acceptable.

Caps must be worn with the peak facing forwards.

## **IN THE CLUBHOUSE**

Jackets and ties must be worn in our Dining Room but in the Clubhouse smart casual wear is perfectly acceptable, though this excludes jeans, cargo pants, tee-shirts, open-necked shirts without collars, track suits and trainers. Caps and headgear must be removed at all times.

**Socks must be worn at all times – it is not acceptable to wear deck shoes without socks.**

Your help with the observation of the Dress and Etiquette Codes would be much appreciated by members and visitors alike.

**Any person not adhering to the Club's dress code may be asked to leave.**

## **MOBILE TELEPHONES**

Whilst accepting that in times of absolute extreme emergency the use of cellular communications may be necessary, the Committee respectfully reminds members and visitors that the use of mobile telephones is not permitted within the Clubhouse area and all such phones should be switched to silent mode whilst in the confines of the Clubhouse and on the course. Calls should be made and taken outside the Clubhouse.

## **ETIQUETTE**

All golfers are expected to observe the usual standards of etiquette with particular reference to **SLOW PLAY, REPAIR OF PITCH MARKS ON GREENS, DIVOT REPLACEMENT, REMOVAL OF MARKS IN BUNKERS AND REPLACEMENT OF BUNKER RAKES.**

## **DEPOSIT**

**A non-refundable deposit of £ 5 per head is required** and should be returned with the Reservation Form. Cheques should be made payable to 'Cooden Beach Golf Club'. This amount will be deducted from the final bill on the day.

## **PAYMENT**

**The balance of the bill should be paid in the General Manager's office on arrival** or by arrangement with the Steward at the end of the day.

## **HANDICAP CERTIFICATES**

Handicap Certificates will be required on the day so please ensure that all members of the group are made aware of this and are able to produce them on request.

## **MINIMUM NUMBERS**

The minimum number of players permitted in a society is 12 and any reduction on this minimum number on the day itself will be charged as 12 players.

## **FINAL NUMBERS**

**Final numbers should be confirmed to the Club not less than 24 hours before the day.** Any reduction in numbers on the day itself will be charged at the previously advised number.

## **PLAYING ARRANGEMENTS AND PACE OF PLAY**

Society tees are Yellow. Starting times are allocated at 7 and 8 minute intervals and these should be strictly adhered to on the day.

To ensure the pace of play is maintained, **the Club's preferred format of play is three ball**, unless prior arrangement is agreed by the General Manager. Please arrange for your faster players to lead the field and remind your group that play must proceed at a reasonable pace. Putting out when it is not possible to score only wastes time and the ball should be picked up and play should move to the next tee.

## **SECURITY**

The Club does not accept responsibility for any equipment or property left in or around the Clubhouse or the car park. Valuables should not be left in the changing rooms. There is an access code number to the Changing Rooms which changes regularly and is obtainable from the Steward or the Professional.

## **PRO-SHOP**

The Professional has a fully stocked shop and maintains an excellent range of items suitable for prizes as well as supervising the hire of Trolleys. Buggies and either pull or electric trolleys are also available for hire by prior arrangement.

During the winter months it is advisable to check beforehand with the Professional as to whether or not trolleys and buggies are permitted.

Direct line: 01424 843938.

## **SNOOKER**

Subject always to availability, visitors may also make use of our snooker facilities, where we have two full-size tables regulated by light meters.

The Committee of Cooden Beach Golf Club join me in wishing you an enjoyable day's golf and if I can be of further assistance, please do not hesitate to contact me.
